Student Life

Students at Lake Forest College know how to balance their lives with academics, sports, organizations, and socializing.

With the renovation of Calvin Durand Commons fall semester, LFC students now have a new 24-hour study area. In the wee hours of morning, students can be seen draped over the couches or bent studiously over laptops, waiting for the sun to rise on another school day.

During the day, students can be found all over campus: from Donnelly Library to the Coffeehouse to the

Sports Center, not to mention the res. halls and classes.

But students also know how to cut back and relax. Fall semester introduced the idea of tent parties on Middle Campus, as Commons could no longer be used for all-campus parties.

Weekends find students at on-campus parties, movies in McCormick Auditorium, events in Chicago, and countless other local haunts.

But come Monday morning, hords of students trudge across campus for another week of study sessions and all-nighters.

Three For All Weekend is deemed a success

Above: College Republicans Charlie, Brent, Rick, Mary, and Megan.

Three events in three days for three groups of Foresters made this year's festivities great.

Homecoming Weekend 1999 was surely one of the grandest that Lake Forest College has seen in its history. "3 For All" was the theme that teamed together homecoming, reunion, and a campaign launch focused on raising funds to aid in building a new community.

The campus was filled with students, faculty, staff, and over 700 alumni who were excited to take part in the abundance of activities. The students were to be found participating in such events as the thrilling football game, the parade that was reigned over by Homecoming King Mike O' Connor and Queen Tara Buckland, and an all-campus party sponsored by Athletic Council, General Assembly and Student Alumni Association, to name a few.

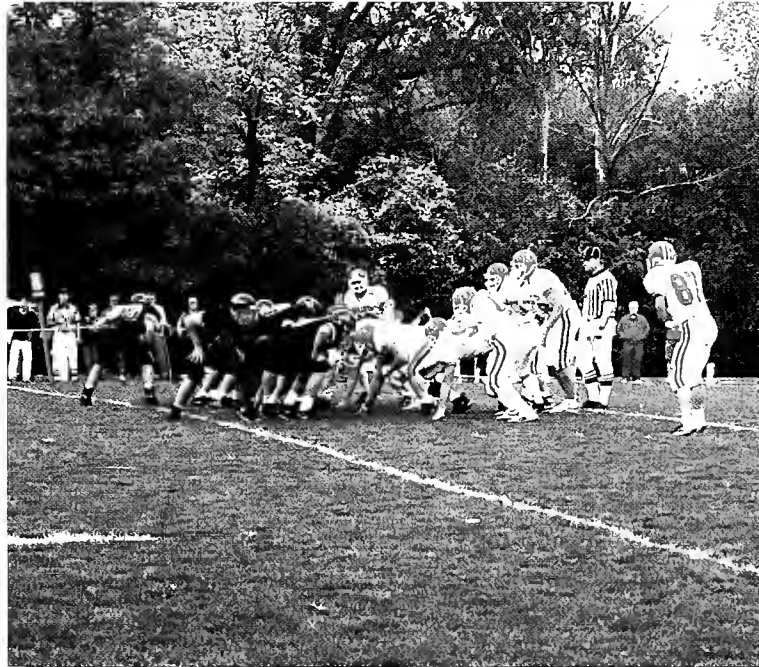

This "3 For All" celebration made quite an impact on Lake Forest College as it truly brought together all parts of the community, as is meant to be during Homecoming Weekend. We can all agree that we wait in anticipation to see what Homecoming Weekend 2000 holds in store!

Homecoming 1999

Many fall sports teams played Homecoming games, starting 3 For All Weekend even earlier than the start of other festivities.

Student organizations on campus were encouraged to preside at informational booths in 3 For All Hall. Similar groups shared tables with each other and found creative ways to display information and/or products from their organizations.

Student clubs also had the opportunity to be part of the Homecoming Parade. The parade route began on South Campus, proceeded north along Washington Road, east on College Road, across Sheridan, and into Middle Campus. Throngs of parade-goers lined the route and cheered the floats on.

Freshman Eric Crawley paces himself in front of other runners.

Freshmen Jillian Hibler and Jill Hinrichs compete for places in the middle of the pack.

Sophomores Joe Zemaitis, Zackary Warmack, and freshman Rob Bahde race against each other and their opponent.

Cross Country

The women's cross country team had its best finish in the school's history this season, finishing fifth at the Midwest Conference meet.

The Foresters ended ahead of St. Norbert College and Knox College, the two schools who had repeatedly finished before them in the regular season.

Lake Forest sent a complete women's team to the Midwest Regional Championship Meet, and the women placed 18th out of the 31 teams who competed at the meet.

The men's cross country team placed tenth at Conference. Although the finish was disappointing, the future looks bright for the team.

The Foresters continued to improve throughout the season. The conference meet was only the third time all year the Foresters could compete with a full five-person team due to injuries throughout the season.

Lake Forest only sent three runners to the Midwest Regional Championship Meet, but the men competed well individually.

Junior Lark Mills and freshman Molly Sutherland push each other in their race.

Juniors Michelle Murillo and Sarah Simpson pass their opponent and share the lead with the other.

Freshman Sean Smith races against the clock for a personal record.

The women's team awaits the signal for the race to begin.

Football

The football team began the season with high expectations and an experienced core of returning players. The Foresters ended the season with the first winning record, 5-5, since 1986.

Lake Forest earned a fifth place finish in the Midwest Conference with their 4-5 record, the second consecutive year in which they have finished in the top half of the conference.

The team continued to improve after defeating

University of Chicago, which was another history marker with the Foresters' first season opener victory since 1991.

Lake Forest has made its stingy and aggressive defense a trademark around the conference, and they have developed a balanced offensive attack that made the team tough to defend.

The Foresters look to the future for continued success to build on the solid foundation that was established this season.

Freshman Josh Nobilio hands the ball off to senior Tyrome Bemby.

The Foresters line up against Ripon College for an offensive attack at Homecoming.

Men's Soccer

The men's soccer coach Ed Kositzki labeled his squad the 'miracle team' this year because of its ability to pull itself back into contention for a conference title.

After beginning the season with a 1-6-0 record and 0-5-0 conference mark, the Foresters were counted out of a spot in the Midwest Conference Championship Tournament.

Yet Lake Forest did not give up. The team began a five-game winning streak that, with the help of Knox College's own five-game slump, placed Lake Forest

right in the middle of a three-way tie with Monmouth College and Knox in determining the final play-off spot.

The Foresters defeated Monmouth 4-0 and were helped by Monmouth, who defeated Knox 1-0, in earning the final play-off spot in the conference tournament.

Beloit College defeated Lake Forest in the semifinals, 2-1, and knocked the Foresters out of contention for the . . .

Women's Soccer

The women's soccer team returned only half of their starting line-up this season. The team was laden with young talent but little experience.

The Foresters began the season with a split, winning against Ripon College but falling to Carroll College.

Lake Forest held a 5-5-1 record at the middle of the season, improving each game.

Yet the Foresters struggled in their last five non-conference games by going 0-5.

The women's team continued to fight, and they barely missed a play-off spot in the Midwest Conference Tournament after falling to Lawrence University in the final game of the season.

Lake Forest finished its season in fifth place in conference with a 5-10-1, 5-4 MWC, record.

After gaining valuable experience in the 1999 season, the Foresters will be poised to improve and compete for the conference crown next season.

After upsetting the number three seed Calvin College and becoming one of the 32 teams left in the tournament, the Foresters were the National Regional Semifinalists in the Midwest Region.

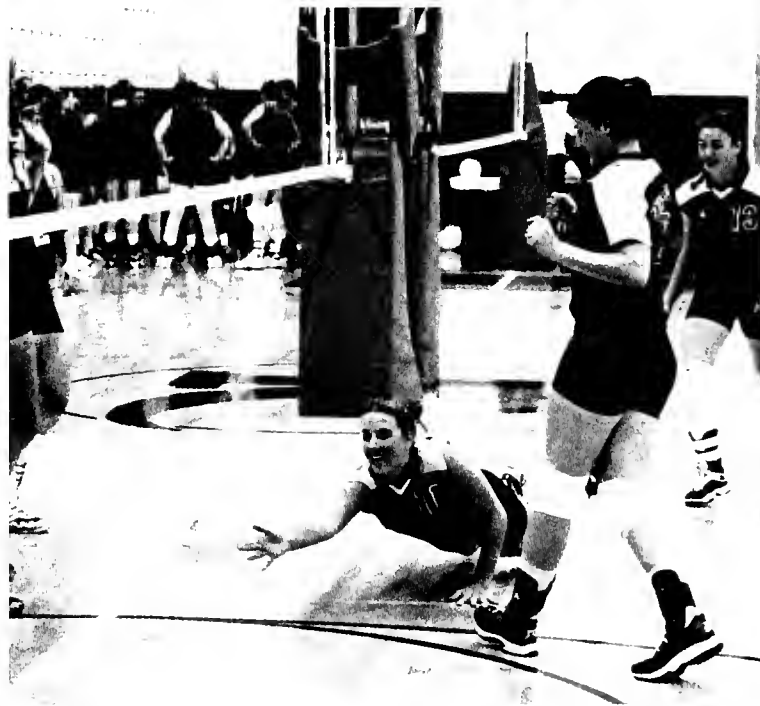

In the second round, Lake Forest was knocked out despite pushing number two seed Mount St. Joe College to a five-game match.

Compiling a 19-11 record, the Foresters improved throughout the season, earning an undefeated record of 7-0 in conference play.

The 1999 squad also helped Coach Beth Pier to her 100th career win as a head coach at Lake Forest. The team hopes to continue its success as a well-oiled machine into the next season as the defending Midwest Conference champions.

Men's Basketball

The men's basketball team exceeded everyone's expectations for the 1999-2000 season. Picked as last place in a pre-season Midwest Conference poll, no one believed Lake Forest could be undefeated and number one at the end of the regular season. No one, that is, except for the Foresters themselves.

Lake Forest went 16-0 in the MWC and was named regular season champion. The team earned the right to host the MWC tournament, where they were upset by the number four seeded Lawrence University, 61-67 in the first round.

Although the Foresters did not win the tournament, they

showed a balanced offense and stingy defense that became their trademarks throughout the region. Lake Forest was a young team this year with eight newcomers on the 15-man roster, but the team made up for this with their deep bench.

The men were not only undefeated but also ranked fifth in the NCAA Midwest Coaches Poll. They compiled a 17-6 overall record. Lake Forest had high expectations for itself and accomplished them through hard work. The Foresters look to build off of their success from this season and capture next year's title.

Although the Foresters went into the conference tournament with a record of 14-2 (MWC) and a second seed, once there, they dominated their opponents. Lake Forest won in the first round, defeating Lawrence University, 61-48. After Carroll College knocked out top-seeded St. Norbert College, the Foresters dominated Carroll in the championship game and de-

feated them 74-61 to take the title.

By winning conference, Lake Forest earned an automatic bid to the National Division III Tournament, where the team faced Calvin College in the first round. The Foresters were defeated 42-68, putting an end to another successful season.

The women compiled a 21-4 overall record. For the third straight year, Lake Forest had a 20-win season. The Foresters used the 1999 MWC tournament upset to fuel this year's quest for the title. Men's Tennis

After winning the 1999 Midwest Conference title, the men's tennis team returned five of its six starters to this year's squad. The Foresters had high expectations for the 2000 season.

Lake Forest began with a spring break trip to Hawaii, losing three matches to Division I opponents but defeating Division II school, Chaminade University.

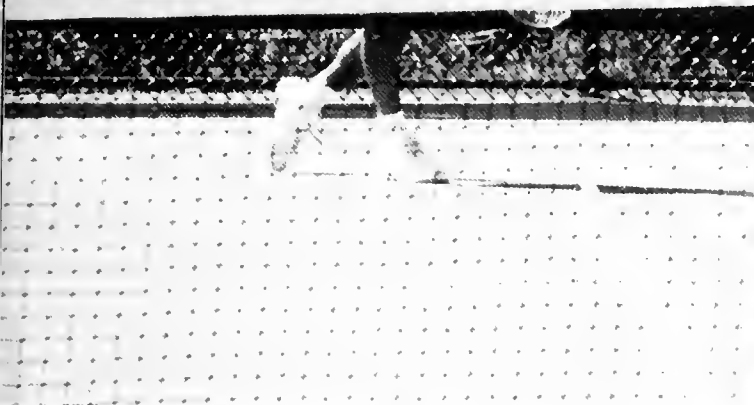

The Foresters continued their domination of the MWC through the regular season with their undefeated record.

The men compiled a 16-4

record, with just one loss to a Division III school. Lake Forest soundly defeated its opponents in the MWC Championship tournament, until it met Ripon College in the championship match.

The Foresters fell 1-4 to Ripon, and the team finished up as the 2000 MWC runner-up.

Lake Forest set a school record with its 17 wins and five losses this season. The men's tennis team looks to build upon the success and tradition its seniors implemented in their careers at Lake Forest.

In Memory of Pack Carnes

Pack Carnes 1939-2000

By Erica D'Angelo, courtesy of Stentor

This winter, Lake Forest College lost Pack Carnes, Professor of Japanese.

Carnes, who came to the College in 1987, died the afternoon of January 10. He had been hospitalized at Libertyville's Condell Medical Center since December 30. Carnes underwent surgery on January 3, and slipped into a coma the following weekend.

Fall semester, Carnes taught Beginning Japanese I, Modern Japanese prose, and The Fable. Spring semester he was to teach Beginning Japanese II, Japanese Religion and Culture, and Introduction to Germanic Folklore.

Carnes was born of British citizenship in New York on November 25, 1939. He graduated from high school in Indiana, then went on to Wabash College where he studied the Classics, German, and English. He was fluent in Japanese, German, and Danish, and was well-versed in several other languages, including Latin,

Greek, French, Russian, Italian, and Swedish.

One of his greatest accomplishments was a book on Fable Scholarship, published in 1986. He was working on a follow-up, and in December described it as being two-thirds done. Other career highlights include writing an episode of *GunsMoke* in 1965.

A Memorial Service was held for Carnes in the Lily Reid Holt Memorial Chapel on January 16. Among those who spoke in celebration of his life were Provost and Dean of Faculty Steven Galovich, Chairperson of Foreign Languages and Literatures Cynthia Hahn, Associate Professor of English Benjamin Goluboff, Asian Studies Major and bookstore manager Christopher Holland ('97), and brother Conrad Carnes.

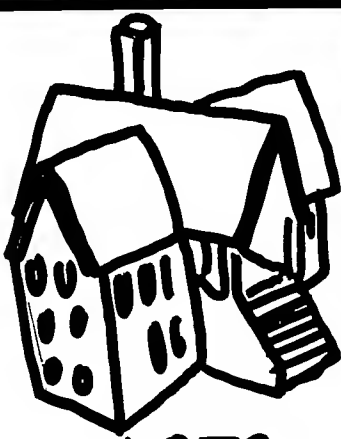

Hahn spoke of Carnes' love for scholarship; he had been published often and enjoyed attending and speaking at con-

ferences: "He was always asking what had I published? What conferences had I attended?"

Goluboff said Carnes was a lover of "music, wine, people and jokes," and said Carnes would be uncomfortable with the memorial service "if no one told a joke."

Holland described Carnes as "very encouraging and very enthusiastic for his students." Conrad Carnes said his brother was a "very competitive person...When I mastered two languages, he mastered about 16." He also said his brother was a teacher who was "captivating and knew how to entertain." Friend and colleague of Professor Carnes, Clayton Gray, Jr., Associate Professor of German and Russian, sang "Jesu, Joy of Man's Desiring" by Bach, one of Carnes' favorite pieces, along with "Steal Away," a Negro Spiritual.

Pack Carnes will be sorely missed -- not only as a professor, but as a friend.

Chuck and Stacy's thank-u's.

Thank you God, again for allowing me to have this opportunity to further my education. I pray that you continue to guide me in the future.

To my Parents, everything in my life I have accomplished up until now, I owe to you both. To my sister Gina, I look to you as my role model as to how I should live my life. I love you!

To my Chicago-Chitown family- Grandma, aunts, uncles, cousins- I am extremely glad I had these 4 years to grow close to all of you. You've helped me in so many ways. I don't think many people would do for anybody what you did for me. All of you treated me like your own son and brother, and you will never know how much I truly appreciate it.

To my LA-Tinseltown (Home) family- Grandparents, aunts, uncles, cousins- Thanks for supporting me and not forgetting about me the past 6 years, including Avon. I love all of you very much. Thanks for having faith in me, and being there when I needed you.

Nonn and pops- I could fill up this whole page with gratitude for you both, without you, I know I would have never made it this far!

To my LFC friends- Delta Chi Fraternity- especially the Beta Class. You are all my brothers, and I love you all, and will really miss you guys. Through the good times, and the difficult ones, we were always there for each other, and I am taking with me a lot of great memories, and strong friendships. I hope will last a lifetime. My college experience would be nothing w/out all of you. Brotherhood of a lifetime.

To my 2 best friends- Dave and Eddie- Even though I was away from you for 6 years, I know I grew a lot closer to both of you. A lot of my friends came and went, but I think knowing you 17 and 22 years pretty much means we are stuck together. No matter what else, you 2 are always my boys!

Katie, my 3rd best friend- you're last b/c it was the hardest to think what to say a/b you, don't worry, it's a good thing. You taught me a lot a/b love, friendship, and life, and I will never forget any of it. I don't have a clue what the future holds, but I do know that I will always be there for you, and you will always be an important person in my life. Thanks for never giving up on me, and always being by my side. I love you!

Many thanks to my parents for all your support, and helping me make it through college. Thank you. Thanks to my brothers and sisters for being there for me. Thanks to all of my friends, both at home and at school- The Delta Chi Fraternity especially, you'll be missed.

I could go on and on. Thank you for such a wonderful friendship. I will miss you so much.

All the ladies of Alpha Pi Delta:

But it's time that has taken my tomorrows
And turned them into yesterdays.
And once again you my friend
Are now here to be found

But sometimes, sometimes
You just have to walk away, walk away.
And head for the door
You just walk away, walk away!

marred by dust and sweat and blood;
who strives valiantly; who errs and
comes short again and again; who
knows the great enthusiasms, the great
devotions, and spends himself in a
worthy cause; who at the best knows in
the end the triumph of high achievement,

least fails while daring greatly, so that

Melissa is a special person. When I need to talk about something, she gives her entire attention with a warmth that tells me not to be afraid. I know she's been through hard times too, but has taken good with her. She respects others and is compassionate to the highest, I don't feel like she wants me to be anything more than I am, and that is very special to me. She is a genuine friend, and I've been lucky to know her. God Bless, Melissa, and thank you. Matt

Remembering Ian O'Connell Class of 2001

by Christopher Durso

An absence exists at Lake Forest College, an absence that for many will never be filled. Junior Ian O'Connell died in a car accident this past weekend on the Edens Expressway. For some, a good friend was lost, perhaps a lifelong friend. For those whose lives he never touched, and even those who never knew him, lessons are found in the life and death of Ian O'Connell.

Do we realize the blessings Ian and other people have brought to our lives? These blessings may come in the form of questions asked in class or lunchtime conversations.

Ian was my neighbor freshman year. Now, I regret that I did not try to get to know him better, or may have superficially asked how he was doing, not listening for the answer as we passed each other on the way to class as recently as last week.

People always say that these are sup-

posed to be the best times of our lives, and maybe they are. Ian's life and tragic death, however, are an unsettling reminder to us all that our lives could end at any time.

Thousands of people die in car accidents every year. None of them are trivial. The underlying truth is that it could have been you or me in that car driving late at night, knowingly tired, but feeling invincible, as we often do at our age.

When things like this happen, many ask, "Why do people die?" Perhaps it is more important to ask "Why do we live?" We seem always to be in a hurry, going someplace, often never satisfied with where we are.

Recent issues on campus seem trivial in light of this tragedy. At all times, we should celebrate life, Ian's, our own, and the lives of those we come in contact with daily.

~Ryan Daily

"She was always an encouragement no matter what. She was a rock; you could always lean on her. She cared so much and she was always giving."

~Lisa Leonardi

"Emily was a giver. In her life and death, she reflected her Lord Jesus by giving of herself to save others."

By Michael T. O'Connor

Remember when you were a freshman? You were so sad to leave home. You thought that it was so traumatic when your high school friends stopped calling you. You didn't know what "Szabo" was. You couldn't wait to graduate from college.

Remember when you were a sophomore? You were glad not to be a freshman. You finally declared a major. You thought that senior year was so far away.

Remember when you were a junior? You started your job search. You were no longer taking 100-level courses. You had a car on campus. You couldn't wait to turn 21.

Remember when you were a senior? You were a big fish in a little pond. You began to donate money to the alumni office. You found out how much your students loans actually cost. You wish you could be a freshman again....

The Year in Review

The Halloween Party

The annual Lake Forest College Halloween party was as big a hit as ever this year. For the first time, though, the party was held in a tent on middle campus. The costumes, however, were just as creative as they have been in the past, if not more so.

A variety of students and faculty members attended this event, and all had a great time.

Winter Ball 2000 was held in Hotel Morraine for the second year. The dance was a combination of General Assembly's annual formal and a celebration of Black History Month. Again for the second consecutive year, GA and United Black Association co-hosted the event.

The formal catered to all of the college's music needs by having a live band perform for two hours and a D.J. for the other two hours.

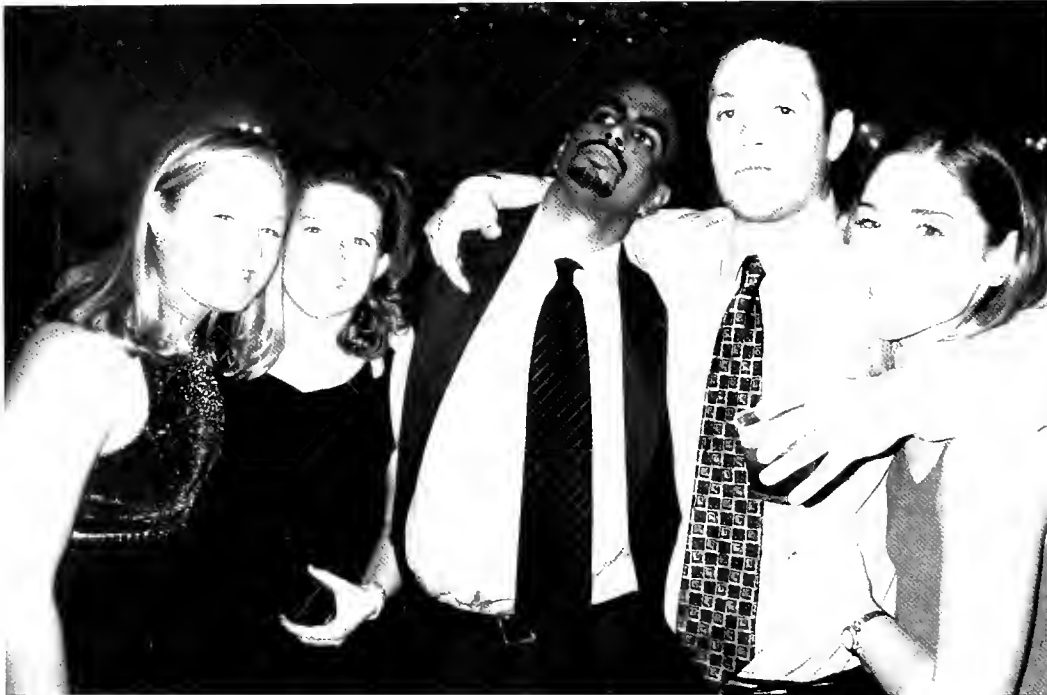

Students and faculty danced the night away in the ballroom, while another room offered a place to drink refreshments from the bar. The second room also provided free food, including meats, cheeses, fruits and a variety of other appetizers. A good time was had by all.

The new Deerpath Hall

Students fill the Deerpath lobby for the opening of the Deerpath Cafe.

Deerpath construction in process.

The reconstruction of Deerpath as part of the College's Master Plan was completed during the 1999-2000 academic year. Throughout the first semester, residents awoke to the sound of construction equipment and were subjected to numerous false fire alarms.

But the benefits of Deerpath were well worth the wait. Students now enjoy a Cafe, an exercise room, and a lounge and kitchen on every floor.

Students look forward to further improvements in other residence halls.

Blessid Union of Souls

In September, Lake Forest College students were privileged enough to have the music group Blessid Union of Souls give a concert in the ice rink on South Campus.

I hope you can remember
When we were three and four
And we walked in a forgotten land
Where 500 years of blood and honor
Crumbled down around us
And the stone and the rubble
Was our playground.

I hope you will remember
That somewhere we are still children
And those places still remain
And although we may never return,
Somehow we can never leave.

THINKING HAPPINESS

Think of the things that make you happy,
Not the things that make you sad;
Think of the fine and true in mankind,
Not its sordid side and bad;
Think of the blessings that surround you,
Not the ones that are denied;
Think of the virtues of your friendships,
Not the weak and faulty side;

Think of the gains you've made in business,
Not the losses you've incurred;
Think of the good of you that's spoken,
Not some cruel, hostile word;

Think of the days of health and pleasure,
Not the days of woe and pain;
Think of the days alive with sunshine,
Not the dismal days of rain;

Think of the hopes that lie before you,
Not the waste that lies behind;
Think of the treasures you have gathered,
Not the ones you've failed to find;
Think of the service you may render,
Not of serving self alone;
Think of the happiness of others,
And in this you'll find your own!

I would like to take this opportunity to thank all the wonderful people and organizations who helped with the production of the *2000 Forester: General Assembly*, Office of Marketing and Communications, *Stentor*, Karen Hermann, Scott Rucker, Bill Frantz, Melissa Segars and Katy Gannon. Without your help and support with photographs, information, and layouts, the book never would have turned out this well.

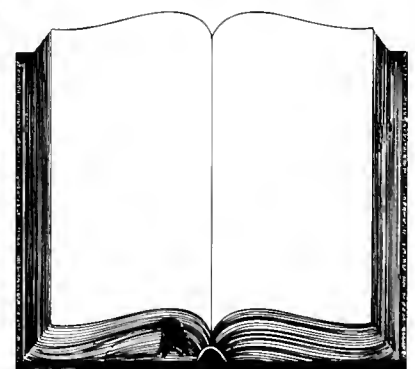

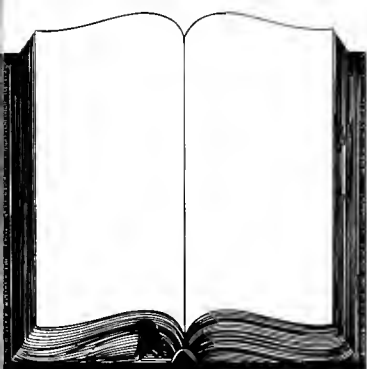

I would also like to thank Dean Elizabeth Fischer, whose support has never waned in the turbulent life of the yearbook. I could not have held onto the yearbook without you.

Thanks to Emily Holmes for her valiant efforts as a brand new advisor to a suffering organization. I truly appreciate all your guidance and look forward to working with you again next year.

Thank you to the *Forester* photographers: Natalie Hartung, Shylynn Maddox, Stephanie Peterson, and Olya Rabin-Belyaev. The quality of the photographs in this year's book far surpass those of previous years. Thank you, staff members: Jennifer Figliomeni, Kirsten Hafkemeyer, Cathy Rodriguez and Briena Romanshek. Thank you also to Jamie Mayer. Your work with the Faculty and Residence Hall section was well-appreciated.

My sincerest thanks go to Mo Ferensen for yet another year of guidance and all the faith you have in me, and to Ashley Moats, the most dedicated person I've ever worked with. You thrived as Sports Editor and surpassed even *my* expectations as Assistant Editor-in-Chief. I'm looking forward to sharing more of the book with you next year because you have the power to make the *Forester* the best it has ever been.
